

## **HOT** MAKES **STREAK** HIS MARK

Lightning quick? A unique Hot Streak foal

**A Hot Streak foal has certainly marked himself out at Tweenhills... with a streak of lightning on his nose!**

The chestnut colt seems typical of the progeny of top-class sprinter Hot Streak, who stands at £6,000 October 1st SLF and whose first crop are now yearlings.

The foal's dam is the winning mare Sciarra. She is a full sister to both the Gr. 1 Prix de l'Abbaye winner Move In Time and Razzmatazz, runner-up in Listed company in 2017. Their dam is a full sister to Gr. 1-placed sprinter Tropical Star. The boy is bred to be seriously fast!

## ANOTHER ZOU-STAR

**Zousain, a son of Southern Hemisphere first-season sire Zoustar, carried the Qatar Racing colours when making a winning debut at Randwick in February.**

Zousain's trainer Chris Waller, who trained Zoustar himself, said: "He is a most promising colt. He has so many of the attributes of his sire – they are so alike."

David Redvers bought Zousain's dam Pasar Silbano with Ger Lyons for €25,000 as a yearling. The aim was to win the valuable Goffs Sportman's Challenge Sales race at the Curragh and she did just that, as well as the Listed Curragh Stakes carrying the colours of Lynne Lyons.

After a spell in the US where she won a Gr. 3 for Three Chimneys Racing, Pasar Silbano was sold at Tattersalls for 125,000 guineas to Richard Pegum, who bred and part-owns Zousain.

## GOSS WINS GOLDEN BUTTON AGAIN

**Yvonne Goss riding Untilla Legend – aka Jaffa – won the 2018 Complete Utilities Golden Button Challenge, becoming the first dual winner of the cross-country chase.**

The three-mile Golden Button takes place in Ledbury Hunt country, close to Tweenhills. Ledbury Joint-Master David Redvers helped design the 25-fence course.

Goss, who landed the first renewal in 2006, partnered her ex-racehorse to victory over point-to-point riders Rowan Cope, Peter Bull and Ed Bailey, the next three home in the 45-runner race. All participants returned unscathed.

Brian Harding finished just outside of the places, while Gary Carroll and

Ciaran Maher (who flew in especially from Australia) completed after remounting. 2009 winner Paul Carberry was still going well when falling late on.

## MAHER CHARMED BY SPIRIT

**A fortnight before the Golden Button, Caulfield Cup-winning trainer Ciaran Maher bought a \$400,000 filly from the first Southern Hemisphere crop of Charm Spirit.**

Charm Spirit – Lady Kipling filly

Maher had already secured a \$300,000 daughter of Charm Spirit at the Magic Millions Gold Coast Sale. Some 16 Charm Spirit yearlings sold for \$100,000+ at Karaka, where another head-turner went through the ring – a pure white daughter of the stallion.

**Also in high demand at Karaka were bottles of 'Charm Spirit' water...**
